

## **Education System and Its Future in America Conference**

### **Session 8: The Impact of Socioeconomic Factors on Education**

This session will examine the impact of socioeconomic factors on educational outcomes. Discussions will focus on strategies to mitigate the effects of poverty and other socioeconomic challenges on student learning.

#### **Presentation 1: Understanding the Effects of Poverty on Education**

This presentation will explore the ways in which poverty affects educational outcomes. The discussion will include an overview of research findings and practical strategies for supporting students from low-income backgrounds.

Presenter: Dr. David Scott

#### **Presentation 2: Addressing Socioeconomic Disparities in Education**

This presentation will highlight programs and initiatives that have successfully addressed socioeconomic disparities in education. Case studies of schools and districts that have made significant progress in this area will be shared.

Presenter: Ms. Maria Gonzalez
